EDUCATION

University of California, San Diego
June 2020 (Expected) | La Jolla, CA

Bachelor of Science in Cognitive Science
Human-Computer Interaction (HCI) Specialization
Minors in Communications and Design

EXPERIENCE

DataStax - *Graphic Design Intern*
June 2019 - Present | Santa Clara, CA

Create print and digital assets for internal training purposes. Visualize complex structures and translate concepts into 2D/3D graphics, as animation sequences.

UCSD Design Lab - *Undergraduate Designer*
November 2018 - Present | La Jolla, CA

Hands-on experience with human-centered design, speculative design, and design research through automative projects with Hyundai.

Design at UCSD - *Community Engagment Coordinator*
September 2018 - Present | La Jolla, CA

Created opportunities for students to become involved in the design community around campus. Developed connections with industry professionals for guidance and networking.

Beyond One - *3D Modeler*
July 2017 - August 2018 | Mountain View, CA

Used Blender to create 3D models for various augmented reality (AR) mobile experiences as well as created textures and marketing materials.

DIVR Edu - *Bootcamp Program Director*
July - August 2017 | Mounain View, CA

Co-coordinated a summer program for college students that taught students how to design, build, and market virtual reality (VR) experiences with educational content.

HONORS & ACTIVITIES

UCSD Women's Tennis Team
September 2016 - Present

ITA Scholar-Athlete
Awarded September 2018

Based on academic performance during the school year while earning a varsity letter.
